**BUDDIN' BRASS IS A GREAT WAY FOR NEW BRASS AND PERCUSSION PLAYERS TO TAKE THEIR FIRST MUSICAL STEPS AND TO ENJOY PLAYING IN AN ENSEMBLE**

At **Buddin' Brass** beginner lessons are provided in tuition workshops which cater for small groups of players with little or no experience. As confidence grows, players quickly reach the point where they are ready to play with others in the ensemble sessions. There are no auditions or tests. If you've always wanted to play in a band **why not come along and have a go ?**

**Buddin' Brass** ensemble sessions are managed and conducted by Royal Spa Brass Soprano Cornet player Hugh Rashleigh. He is supported by the experienced players of Royal Spa Brass who assist with the tuition and group playing. Individual and private tuition is available by separate arrangement. The **Buddin' Brass** players have their own schedule of events and performances.
